

Lila's Log: Making Friends, Bringing Comfort, and Spreading our Lord's Message

Fellow BSLC Members! K9 Comfort Dog Lila here, with my November report.

Did I say November? Really?!? As I'm typing this newsletter, the thermometer indicates that it's 70 degrees outside. I'll make this brief — I want to get outside and enjoy the unexpected warmth and sunshine.

October 4, 2022 was National Pet Prayer Day. To celebrate, Chaplain Emma Landowski met with Lila, a Comfort Dog at Ascension Columbia St. Mary's Hospital Ozaukee.

I'm all for National Pet Prayer Day!

So this is how my work week begins

Just another day at the office — only this time there is a CAT to comfort! Very interesting

And after the workday is through — Some R&R time in the glory of fall -- Ah-h-h . . . beautiful!

And this is the way my life works:

Duty calls for the visiting Comfort Dog at Willowbrook, but then I get to lie in the sun, relax, and enjoy the warmth. 🌞🐕

Along with the beautiful weather, we had a bit of a scare, too:
“Tornado warning! Proceed to a safe shelter.”
We bring you this interruption to our Willowbrook visit while we gather in the hallway.

All in a day’s comforting!

“ O Trinity of love and pow'r,
Your children shield in danger's hour;
From rock and tempest, fire, and foe,
Protect them where-so-e'er they go.”

Hm-m-m-m . . . I sense a gentle breeze . . . And the scent of ripe apples . . . And the sound of leaves drifting to the ground (My keen Golden Retriever senses, you know). So that's all for now . . . Nature is calling me!

🐾 🐾 🐾 🐾 🐾 Yours in peace and comfort,
Lila
