

Lila's Log: Making Friends, Bringing Comfort, and Spreading our Lord's Message

Greetings, fellow BSLC Members! K9 Comfort Dog Lila here, with my January report. My team and I hope you all will have a blessed New Year! Mine got off to a great start: SNOW!!! My apologies to those who are counting down the days until spring, but to me, nothing beats rushing outside and plunging into a pile of the fluffy white stuff. And it's great for making snow-dog angels!

Of course, I took time away from the holiday shopping, decorating, and baking to remember the important aspects of the Christmas season: reflecting on the glorious birth of our Savior and sharing his love and mission with those my team and I visit

Cracking the books . . . Reviewing the notes . . . Studying the sample questions
How's a college student supposed to clear his/her head and relax a little???

Did I hear a call for the Comfort Cavalry? Mary Comfort Dog, Rhoda Comfort Dog, Sage Comfort Dog, Charity Comfort Dog, and I reporting for duty at Wisconsin Lutheran College in Wauwatosa.

I also visited my friends at Azura Memory Care in Fox Point. Such a lovely Christmas tree . . .

Up close with a resident (“I’d love to help you with your colored pencils, but, you know . . . paws instead of an opposable thumb”)

Oh, and I got to meet some dog friends, too . . . sort of. They weren’t much interested with playing with me, though.

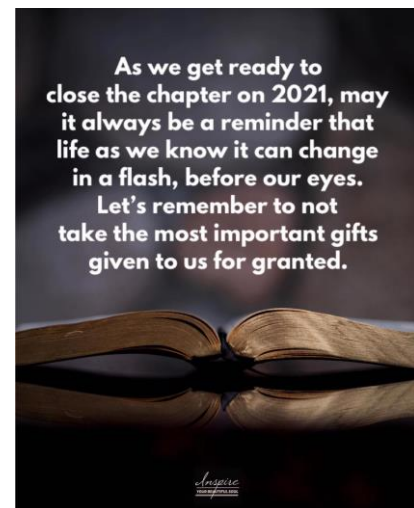

I must have been a good girl during 2021, because my friends at Willowbrook remembered me with a great Christmas toy, too! Needless to say, I love visiting there.

That's all for now, friends — Time to get back to my New Year's resolutions — that treadmill is calling my name! 😊

But before I sign off, here's something for us all to think about:

🐾 🐾 🐾 🐾 🐾 Yours in Peace and Comfort,

Lila
